

PILOT PROGRAM EXPRESSION OF INTEREST (EOI)

Patented Bluetooth-Programmable Self-Cleaning Sheep Trough

Our Commitment: Try First, Pay Later. Experience the real labor savings and water quality improvements on your property before any payment is discussed.

1. Applicant Details

- **Contact Name:** _____
- **Property / Trading Name:** _____
- **Property Address:** _____
- **State & Postcode:** _____ **PIC (Optional):** _____
- **Phone Number:** _____ **Email Address:** _____

2. Operation Profile

This data helps us pre-configure the optimal Bluetooth flushing frequencies for your setup.

- **Total Sheep/Lambs on Feed:** _____
- **Average Stocking Density per Yard:** _____ Head
- **Current Manual Trough Cleaning Frequency:** ☐ Daily ☐ Every 2–3 Days ☐ Weekly ☐ Other: _____

3. Trial Period & Terms

- **Proposed Trial Start Date:** ____ / ____ / 2026
- **Agreed Trial Duration:** ☐ 30 Days ☐ 60 Days (Recommended) ☐ 90 Days ☐ Custom: ____ Days

Standard Trial Terms:

1. **Ownership:** The patented trough hardware remains the sole property of the manufacturer throughout the duration of the trial period.
2. **Evaluation:** The applicant agrees to utilize the mobile application via Bluetooth to program the flushing frequencies and monitor the unit's operational performance.
3. **Conclusion:** At the conclusion of the agreed trial period, the applicant may choose to purchase the unit at the exclusive pilot-partner rate, or request removal of the hardware at no penalty or cost.

4. Confirmation

"I am interested in running a zero-financial-risk pilot site on my property under the terms outlined above, and welcome further logistical discussions to facilitate the setup."

Applicant Signature: _____ **Date:** ____ / ____ / 2026
